Planning nature tourism for special groups, Nest-conference, Koli, 14.10.05

”Nature activities belongs to everyone in spite of the physical or other limits”

***Planning nature tourism for special groups,
Nest-conference, Koli, 14.10.05***

”Accessible environments consists high quality for the customers”

***Planning nature tourism for special groups,
Nest-conference, Koli, 14.10.05***

”The constructions must also respect the surrounding landscape”

***Planning nature tourism for special groups,
Nest-conference, Koli, 14.10.05***

The most important point is however the powerful experience!
